About Meenaar Studio

Meenaar Studio is a luxury architecture and interior design firm in India, specialising in modern residential villas, contemporary homes, and exclusive turnkey interior solutions.

We believe that every space should tell a story — your story. With visionary design, advanced technology, and aesthetic innovation, we craft environments that are functional, timeless, and truly personalised.

Design Philosophy:

- Emotional connection to every space
- Creativity + functionality balance
- Material and spatial planning
- 3D/VR visualisation capabilities
